Rickett & Wells Guarantee That Hyomei Will Cure the Worst Case of Catarrh in Barre.

When one of the most reputable drug firms in Barre guarantees that a medicine will effect a cure or they will refund the money, it speaks volumes as to the merits of that remedy. It is in this way that Rickett & Wells are selling Hyomei, the treatment that has made so many cures of both acute and chronic catarrh in Barre and vicinity. Hyomei is not a pill, nor is it a liquid that has to be taken with a tablespoon or wineglass. Just breathe it by the aid of an inhaler that comes with every outfit and benefit will be seen from the first treatment.

It destroys all germ life in the air passages and lungs and enriches and purifies the blood with additional ozone. It cures catarrh of the head and throat, or of the stomach, liver and kidneys. Wherever mucous membrane contains catarrhal germs, there Hyomei will do its work of healing. When using this treatment the air you breathe will be found like that on the mountains high above the sea level, where grow balsamic trees and plants which make the air pure by giving off volatile antiseptic fragrance that is healing to the respiratory organs.

The complete Hyomei outfit costs but \$1.00 and includes an inhaler, dropper and sufficient Hyomei for several weeks' treatment.

Remember that if Hyomei does not cure you, Rickett & Wells will refund your money. This is a good time to cure catarrh by this natural method and prevent catarrhal colds that are so common at this season.
